RE: **The Phone Company Management Group, LLC et al.**
Docket Nos. T-03889A-02-0796, T-04125A-02-0796, T-04125A-02-0577, T-03889A-02-0578, T-03889A-03-0152 and T-03889A-03-0202

Motion for Continuance

Dear Judge Dion:

Please accept this letter as my motion and request for a continuance in the above referenced matter. As discussed in the October 7, 2003 hearing, a trial in the case of The Securities and Exchange Commission v. Mark Shiner et al Case No 03-60175-CIV-Zloch is scheduled for the week of November 3, 2003 and is anticipated to last the entire week. I have enclosed a copy of Judge Zloch's order, filed May 30, 2003, setting the trial date. It was not until I received your procedural order dated September 9, 2003 in the above referenced Dockets, that I became aware of the dates set for hearing in these matters. Since I planned to attend the October 7, 2003 hearing, I was planning on discussing the scheduling conflicts at that time.

As the order states the trial will be held at the United States Court House, Court Room A, 299 East Broward Boulevard, Fort Lauderdale, Broward County Florida. Although I am hopeful that this matter will be settled prior to the above date with the SEC and therefore alleviate the need for the trial itself. Since late May 2003 my Counsel in the SEC matter and I have been in negotiations with the SEC to settle all of the pending claims. In fact discussions are still being held between the SEC and my attorney, Glenn Merrick. I cannot at this time assure you that a settlement will be reached. Therefore I must assume that the trial as currently scheduled will take place. I am available for all other weeks in November as well as early December 2003.

I apologize for the inconvenience that my lack of attention relating to the above date has caused you, the Staff and the other parties in this Docket. However, my request for a continuance in the above referenced Dockets to any other time in November or December 2003, will not prejudice any other parties in this proceeding or the public interest. PCMG is not currently providing any telecommunications services in Arizona and has voluntarily surrendered its CCN as well as canceled its tariffs. To my knowledge there are no allegations that PCMG is adversely affecting consumers.

I sense that you truly desire to "get to the Bottom" of the issues before you, and strongly believe that the only way for that to happen is for my testimony and evidence to be heard. I believe that once my side has been presented, you will be both convinced and overwhelmed by the truth.

I submit that The Commission has been unscrupulously used to achieve an end, that would otherwise not have been achievable, by those holding them selves out to be representing the interests of the LLP. In fact I believe that the evidence once presented will show clearly that these individuals have knowingly provided false statements, testimony and sworn declarations not only to this Commission, its Staff and yourself, but have done so on repeated occasions before other Utilities Boards and the SEC. The evidence I will present will also show that these individuals have acted without the authority, knowledge or consent of their other partners and are an egregious violation of their fiduciary duties, as well as their responsibility to be honest and forthright with not only this Commission but other regulatory bodies as well.

I understand that you are both angry and frustrated at the length of time these matters have taken. The delays, however, on my side have largely been dictated by economic circumstances not in my control. At this point I can only commit to you that I will precede in this matter with the utmost respect, candor and propriety .

If you wish to speak with my Counsel in the SEC matter, his name is Glenn Merrick at the Law Firm of Brega and Winters PC. His phone number is 303-866-9413. Glenn can confirm the above trial dates and can speak more definitively about the length of the trial its self.

Sincerely

A handwritten signature in black ink, appearing to read 'Tim Wetherald', with a long horizontal flourish extending to the right.
